

PLAYBOY MANSION - HALLOWEEN

Date: Wednesday 31st October 2008
 Venue: Playboy Mansion, Los Angeles

G.I. Kendra, corpse bride Bridget, horny Hef, domestic dominatrix Jenny McCarthy and Princess Holly take center stage at last years Halloween party

Halloween brought the devil out of Hugh Hefner, who sprouted horns for a chilling night at Hef's. With E!'s 'The Girl Next Door' camera's in tow, horny Hef and his three sexy girlfriends welcomed 1000 celebrities and playmates to LA's hottest Halloween ticket, the Mansion's annual costume blowout. Diehard Halloween aficionado Bridget Marquardt, who recently had the Mansion examined by a team of paranormal investigators, went all out as a particularly sexy corpse bride. Meanwhile Hef's number one gal Holly Madison was a very alive Cinderella and Kendra Wilkinson was a knock out G.I Jane in revealing camouflage. As usual costumed celebrities and playmates were not in short supply. Iron Mike Tyson got all wigged out, while top model Adrienne Curry and beau Christopher Knight (a.k.a Peter Brady) got caught with their pants down. Ben Affleck, Paris Hilton, Frankie Muniz, Matthew Perry also made the cut and on the dance floor, playmate of the year Tiffany Fallon filled out her Wonder Woman like a super superhero.

Recently, Bridget Marquardt (one of Hugh Hefner's girlfriends), spoke about the Playboy Halloween Bash, saying, "It's the best party. I think it's probably the best Halloween party in the world. It's about 1,000 people, it's tented, the decorations are totally cool, we have a haunted forest, we have the haunted side hill, we have the graveyard in the front, and we have the scariest haunted house ever."
