

## MTV EUROPE MUSIC AWARDS

Date: Thursday 6<sup>th</sup> November 2008

Venue: Echo Arena - Liverpool

It will be the third time the annual event has been held in the UK, following shows in London in 1996 and Edinburgh in 2003.

Mr Godfrey, the event's executive producer and MTV Networks senior vice-president, added that "it was only natural" that Liverpool should host the awards, scheduled for 6 November 2008.

**If there's one thing that MTV excels at, it's throwing a damn good party** and last year's Europe Music Awards, far from being an exception to the rule, might just have broken the mould. With a stellar line up of performers and presenters, that reads like a who's who list of the worlds of music, and film, it was never going to be a none event, but the minute that Justin stepped on stage engulfed in shadow, we just knew that this was going to be one to remember.
